Maybe even better than free.

Simply upload your file and share the link. It is also allowed to link to the download page from websites and communities. Files can be downloaded from any computer from our high speed servers. You can give this download link to your friends by mail or instant messenger. Using file, you can circumvent thoselimits without paying to upgrade your team chat service. If only we could, we surely would! On the other hand, using file can actually save you money. Noaccount or credit card is required to get started. Unfortunately, we can't make that part free. Keep your files private, or send your download links only to friendsor family. We have no file size limit. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferredbetween your computer or phone and our servers, then from our servers to your friends device. You decide who you want to share your files with. Just uploadthe file you want to share with your friends and we send you a download link to your file. You don't need any special software installed to be able to downloadyour files. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. You can upload any type of file (movies, music,documents, images, zip files and more). Any file in any format can be uploaded and downloaded for free. So try our free and simple filehosting service now.Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can betransferred within their apps. filehosting provides an easy possibility for you to send large files to your friends. Alternatively you can choose to share yourdownload links on blogs, forums and social networking sites. File is free to use with no gotchas and no hidden fees. Files transferred the old-fashioned way tendto pile up and be forgotten about, eventually costing you money in data storage fees. The cost of that data transfer is covered by your internet service or the dataplan on your phone. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. Our service is completely free for everyone.There are no restrictions on the number of times a file can be downloaded.
