You don't need any special software installed to be able to download your files. Using file, you can circumvent those limits without paying to upgrade yourteam chat service. We have no file size limit. No account or credit card is required to get started. It is also allowed to link to the download page from websitesand communities. Simply upload your file and share the link. Our service is completely free for everyone. The cost of that data transfer is covered by yourinternet service or the data plan on your phone. You can upload any type of file (movies, music, documents, images, zip files and more). When you use file, youavoid storing the file you're sending in your cloud storage or mail server. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. You can give this download link to your friends by mail or instant messenger. Alternatively you can chooseto share your download links on blogs, forums and social networking sites. Keep your files private, or send your download links only to friends or family. Anyfile in any format can be uploaded and downloaded for free. Unfortunately, we can't make that part free. If only we could, we surely would! On the other hand, using file can actually save you money. So try our free and simple filehosting service now. File is free to use with no gotchas and no hidden fees. filehostingprovides an easy possibility for you to send large files to your friends. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. There are no restrictions on the number of times a file can be downloaded. You decide who you want to share your files with. Just upload the file you want toshare with your friends and we send you a download link to your file. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. Your wallet will be none-the-lighter! Just so
