No more thumbing aimlessly through page after page as you would with a traditional manual. You can also create custom bookmarks and find that information you need over and over again, quickly and easily. TechSpark Studio programs also includes an integrated zoom and pan tool to easily focus on every detail clearly as possible. One of the best features is the ability to print specific pages or the entire program and if the pages get dirty and greasy, simply print a fresh copy the next time you need the information.
